Sub: Permission to do Interior work in Office No. _____

Sir,

I/We am/are allottee of the subject premises and entitled to get possession of the said premises only after completion of construction of the building and grant of BUC. I have made all the payment called till date by the Bourse and willing to pay further amount, if any as and when call will be made and takeover the possession of the subjected premises when the same is ready for occupation.

However, I desire to start interior work for the subjected premises at this stage at my own risk in terms cost and consequences to save the time which will take in interior work after get the final possession of said premises. I request SDB to grant formal permission in that behalf. I agree and place on record that such permission shall never be consider as handing over the possession of premises nor it shall affect the rights of the Bourse under the terms of allotment. Further I fully understand that such permission shall never be considered as permission to start commercial activities in the premises. On grant of permission, I agree to sign such undertaking as the bourse may require and agree to abide by and comply with all the rules, regulations and instructions from the bourse from time to time in that behalf.

I agree and undertake that default on my part in fulfilling obligations under the terms of allotment shall result to stop the work and it shall extend to cancellation of allotment and I shall not be entitled to get compensation for the interior work done pursuant to such permission if at all granted.
